I understand you already touched base with Bryan. I'll be seeing you at 1 on a wetlands matter, so we can catch up then on any other follow up items unless you need to talk with me sooner.

Also – I will be coming solo on the wetlands case. We can schedule a briefing with staff as needed.

Hi Alex,

I'm at a meeting outside the office until about 11. Don't want to hold you up if earlier in the day better for you and others. My calendar up to date if you want Jane to schedule a time.

If I could update you all on these tomorrow that would be great –

- 1) PFAS Sampling at Westchester Airport (time sensitive)
- 2) Before I go to Raymark, they want me briefed on Stratford (State lead RCRA site)
- 3) FYI - They're filing formal comments on Brunner Island 126 petit
- 4) They want more details on the HQ PFAS Meeting (who's going, state travel, etc.)
